

MONT GRAVET

MONT GRAVET ROSÉ 2018

REGION:

Pays d'Oc, France

GRAPE VARIETY:

100% Cinsault

ABOUT THE PRODUCER:

Close to the producers, and in order to source from the best vineyards, our winemaker has found some amazing "terroirs" in the South of France. The Languedoc climatic conditions allow a perfect maturation for the grapes which are moderated by the humid influence of the Mediterranean.

TASTING NOTES:

Mont Gravet Rosé has a pale pink color with ripe aromas of strawberries and sweet raspberries. Fresh and juicy on the palate with a harmonious overall impression.

TECHNICAL NOTES:

Alcohol 12% | PH: 3.45
Acidity: 3.21 g/L
Tartric Acidity: 2.23 g/L

VINEYARD:

Mont Gravet Rosé comes from specially selected hillside vineyards in the Languedoc region, located near the warm Mediterranean shoreline in Southern France. The Cinsault grape is also one of the main varieties used in the production of Provence rosé and some of the best reds of the Southern Rhone Valley.

WINEMAKING:

The grapes are harvested at night when the temperature is coolest. The juice goes through a gentle pressing and then allowed to stay in contact with the skins overnight during fermentation process to extract just enough of its beautiful pink color. The wine is then aged on its lees for at least two months and is stirred periodically to extract maximum fruit flavors.

TASTING:

Mont Gravet Rosé has a light pale pink color and delicious aromas of strawberries and raspberries. It is wonderfully fresh and harmonious on the palate with long lasting fruit flavors.

FOOD MATCH:

The *all occasion wine!* Wonderful anytime but especially with lighter fare or on its own as an aperitif.
