# MONT GRAVET

*Mont Gravet Rosé takes you to the sunshine and joy of the south of France where wine is a staple of life. The grapes for this delicious wine are grown on the hillside vineyards of this magical region. The name comes from the small stones (gravets) found in the hills (mont in French).*

Village of Lezignan Corbieres, Pays d'Oc, France. The Languedoc climatic conditions allow a perfect maturation for the grapes moderated by the humid influence of the Mediterranean.

100% Cinsault

Fresh and fruit-forward dry style Rosé. Lively aromas of raspberry and blackberry, full-bodied with mineral notes and harmoniously long on the palate. The "all occasion" wine.
