

MONT GRAVET

MONT GRAVET ROSÉ 2015

REGION:

Pays d'Oc, France

GRAPE VARIETY:

100% Cinsault

ABOUT THE PRODUCER:

Close to the producers, and in order to source from the best vineyards, our winemaker has found some amazing "terroirs" in the South of France. The Languedoc climatic conditions allow a perfect maturation for the grapes which are moderated by the humid influence of the Mediterranean.

VINEYARD:

Mont Gravet Rosé comes from specially selected Cinsault vineyards in the Languedoc region, located near the warm Mediterranean shoreline in Southern France. The Cinsault variety is also one of the main varieties used in the production of Provence rosé and some of the best reds of the Southern Rhone Valley.

WINEMAKING:

Harvested at night the grapes when it is coolest, the grapes undergo a modern winemaking process of 100% direct pressing with temperature carefully controlled and monitored throughout the entire production process. Fermentation takes place in stainless steel tanks.

TASTING NOTES:

Mont Gravet Rosé is a wonderfully fresh and fruit forward dry Rosé wine. The wine has lovely aromas of raspberry and blackberry and is full body and long on the palate.

TECHNICAL NOTES:

Alcohol 11.75%

FOOD MATCH:

This Rosé is a wonderful "anytime" wine and a delicious aperitif. It pairs well with a wide variety of foods, as it's refreshing, savory and well-balanced. It will accompany beautifully any salads, fish, BBQ and white meat dishes.
